

Becoming a digital citizen

Name:

Class:

1: Digital footprint

Here is a list of actions related to online behaviour. For each action, decide whether it creates a positive or negative digital footprint and tick the appropriate column.

Action	Positive	Negative
Writing a supportive comment on someone's blog post.		
Sharing a funny meme that includes someone's personal photo without their permission.		
Complaining about a teacher or classmate publicly on social media.		
Posting a video tutorial you created to help others with homework.		
Using someone else's artwork in your own post without crediting them.		
Reporting an inappropriate or harmful post to a website administrator.		
Sharing your gaming username and password with a friend.		
Posting an inspiring story about overcoming a challenge.		

2: Personal privacy

Write down three things you can do to protect your privacy when online.
