

Decomposition: Make a snowman

Name: _____

Class: _____

Look at the following images showing a child making a snowman. The images are not in the right order.

 Roll a ball of snow	 Put on the hat and scarf	 Build the snowman	 Add eyes and buttons
 Add twigs for arms	 The finished snowman	 Add the carrot for a nose	 Shape the snowman

Write the titles of the images in the correct order to make a snowman.

1.
2.
3.
4.
5.
6.
7.
8.

Identify ONE of those images and write further instructions to break down how to complete that one task.

What is the instruction you are breaking down into smaller tasks?

--

Use the space below to identify the steps to perform that one task.
